

Wapic Insurance Plc.

Annual Insurance Summit - Solvency II

**30th March
2017**

Summit Introduction

The recently introduced Solvency II directive is geared to initiate dramatic changes in the insurance industry in Africa. What is Solvency II? What shape will it take in Nigeria? How will it impact your business? Can this prevent an economic crisis?

Focus Areas and Objectives

- Learn about the role of solvency II in global markets
- Understand implementation processes, risks and gaps
- Compare your preparedness with other market players
- Get other insights on Solvency II
- Q & A after each session
